Dear Job Seeker,

As part of our continuing effort to share inspirational, informative and potentially life-changing content to our clients and followers, I recently attended a series of classes at the Twinsburg Public Library.

I was particularly impressed by the content of the most recent presentation which included extremely valuable information by Michael W. Perry, president of Szarka Financial. Mr. Perry was kind enough to take the time and effort to prepare and share proprietary information that I could make available to you.

The timing of this information being made available is a blessing. On **Wednesday, October 15th** the Twinsburg Library is sponsoring a Job Fair. On **Wednesday, October 29th**, a Job Seeker's Networking Event is being hosted by Ohio CareerConnect, The Oak Barrel and Szarka Financial.

If you are seeking employment, looking for a career change, or simply seeking to remain current on the thinking of employers, I urge you to consider these events after reviewing the information below, graciously supplied by Mr. Perry.

Event details below.

Please review the above material and accept our prayers and best wishes for your success. As always, we look forward to your feedback.
