Hello Al - Thank YOU for organizing and hosting the POD Unsung Hero awards. There was so much to take in from the stories of all the heroes. All energy was focused on the greater good of humanity, and how refreshing to bask in that loving energy on Friday evening. Dr. Craig and Bonnie were in wonderful company amongst the unsung heroes, and I was happy to receive the awards on their behalf, and sit with their entourage (Patricia Tamowski and Scott Douglas of Health Advocates World Wide, my husband Roger Newton and our son who lives in NYC, Alex Newton). Congratulations on your first annual event. It was a pleasure and honor to help sponsor and participate in this positive event!

And yes Al, Mike and Faith Holler, Vera Matty, Nomi Bachar, Barbara Jacoby, Veronica, Nancy...all of you who have been so faithful to making Al and Mike's dream come true!! There are those who were quietly behind the scene as well who graciously stepped forward. And what a gift to be in that beautiful building!! And be entertained with such lovely voices!! Forever, I will carry those hours in my heart! May our God continue to guide all of us to embrace our journey here, always mindful of this brief gift to unconditionally Love all who cross our paths, all who we are guided to minister to as Spirit Lights the way! Much Love!

Hello Al Cole - Once again, many thanks indeed for the successful and extremely inspiring PDHA event last Saturday in New York city. While deeply applauding and congratulating the honorees, I was personally very inspired by each of them, and by your off-the-cuff remarks for each honoree, which I'm sure struck a responsive cord in many hearts in the audience. By all accounts, it was a great event!
